

Georgia Medicaid Fair

Save the Date

Dear Georgia Medicaid Providers and Stakeholders:

The Department of Community Health (DCH) and Hewlett Packard Enterprise (HPE) encourage you to save the date for our next Medicaid Fair!

Tuesday, May 2, 2017
Cobb Energy Centre
2800 Cobb Galleria Parkway
Atlanta, Georgia 30339

The Medicaid Fair will have important updates on emergent issues from DCH leadership and over a dozen break-out sessions covering a variety of topics. The Care Management Organizations will also be onsite to answer your questions about their new contracts that will be effective July 1, 2017. In addition, DCH and HPE are bringing back several 30-minute sessions so you can get as much out of your Medicaid Fair day as possible.

Stay tuned for more details, including registration information.

Want to help shape our agenda?

To ensure our break-out sessions (including time for questions and answers) address topics that are relevant to you, please submit your suggested topics to GeorgiaMedicaidFair@hpe.com by Friday, March 17, 2017. We will develop our agenda based on your feedback.

Need more information about the Cobb Energy Centre?

For location and directions to the Medicaid Fair, please visit the Cobb Energy Centre website at: www.cobbenergycentre.com

Thank you for your continued participation in the Georgia Medicaid program.

We look forward to seeing you on Tuesday, May 2, 2017, in Atlanta!

Sincerely,

Georgia Department of Community Health
Hewlett Packard Enterprise
